

RADICAL REDUCTION REVOLUTION QUEST

Join the Radical Reduction Revolution any time this fall!

In this **four-step quest**, your club will **reduce waste** and have fun doing it!

The quest is made with **flexibility** in mind. **Create a journey that fits your club's needs.**

Your club can complete the quest over the course of the fall term, within a month, or even in a single week! **Take as much or as little time as your club needs.**

Clubs that finish the quest will receive **a collectible Earth Rangers pennant** and a personalized certificate of achievement.

QUEST OVERVIEW

In each step, your club will complete ONE activity. **Activities can be completed in just one or two meetings.** As you move through the steps, you will access **easy-to-follow instructions** for each activity. More details on the activities will be available as you unlock the steps.

Step 1: All aboard!

Join the Radical Reduction Revolution! Sign a pledge to reduce waste.

Step 2: Too Tasty to Trash – Take on food waste with **ONE** of these activities

- All Taste No Waste: Reduce food waste through a one-week challenge
- Give Produce a Second Life: Sprout a garden using kitchen scraps
- Leftover Makeover: Create fun recipes with commonly wasted food

Step 3: Bye bye Single-Use Plastics – Tackle plastic waste with **ONE** of these activities

- Sea Turtles vs. Plastic: Educate others on how to help sea animals
- Single-Use Plastics DIY: Create recycled bead curtains or plant pots
- Single-Use Plastics Take Action: Audit your plastic consumption

Step 4: Celebrate Sustainably! – Decrease holiday waste with **ONE** of these activities

- Door Decorating Contest: Hold a door-decorating contest with reused/recycled materials
- Forest-friendly Gift Wrapping: Organize a sustainable gift-wrapping booth
- Swap Superstars Event: Host a swap event to reuse and exchange instead of buying new

Claim your Club's collectible pennant and personalized certificate!
